STRAYER SEED FARM

GROWERS AND DISTRIBUTORS OF

PURE FIELD SEEDS

Farm is 1 1-2 Miles North of Hudson, Iowa

Apr 25 1925

Field seeds are sold on a close margin and the price changes just as the price of grain and live stock do. The following are our prices for immediate orders and are subject to import market changes and stock unsold.

Terms—Cash with order. F. O. B. Hudson, Iowa.

SEED CORN

We have a very limited amount, of our own growing, new seed, picked before frost and dried on hangers. Shipped either in the ear or shelled.

Silver King—An early, white corn, good yielder.....	\$ 3.50	Bu.
Reid's Yellow Dent.....	\$ 3.50	Bu.
Pop Corn—Japanese Hulless.....	\$	Bu.
Sweet Corn.....	\$	Bu.
	\$	Bu.

OATS

We have made a specialty of growing seed oats for 10 years and have settled on the best proven varieties for the corn belt. All our oats were grown from graded and smut-treated seed, on our farm here, or by our neighbors from our seed. Recleaned and bags free.

Iowa "103"—An early, white, short straw, very heavy and a big yielder.....	\$	Bu.
Kherson (Iowa 105)—An early, yellow, short straw, very heavy and a big yielder.....	\$	Bu.
Iowa—White, a few days later than above, longer straw.....	\$	Bu.

BARLEY

Wisconsin Pedigreed—A six-rowed, bearded variety (Black Hawk County grown). Recleaned and bags free.....	\$	Bu.
	\$	Bu.

SOY BEANS

The great soil builders and money making crop. We have been growing soy beans for 8 years and believe they are one of the coming crops for the corn belt. Do not plant Southern-grown seed. We have the best varieties for the North of our own growing.

Ito San—An extra early, yellow variety.....	\$	Bu.
Manchu—An early yellow variety.....	\$ 3.	Bu.
Black Eyebrow—An early black and yellow, extra good variety....	\$ 3.	Bu.
Med. Green.....	\$ 4.	Bu.
	\$	Bu.

INOCULATOR

We always inoculate our Soy Beans, Hubam Clover, Sweet Clover, Alfalfa and Red Clover before sowing, and strongly recommend doing so. We can furnish the inoculating bacteria as follows:

1/2 bu. size.....	\$.50
1 bu. size.....	\$.80
5 bu. size.....	\$

CLOVERS

Medium Red—"Fancy" (Iowa grown).....	\$	Bu.
Medium Red—"Choice" (Iowa grown).....	\$	Bu.
Mammoth Red—"Fancy" (Iowa grown).....	\$	Bu.
Alsike—"Fancy" (Iowa grown).....	\$	Bu.
Sweet Clover—White blossom, hulled and scarified, 60 lbs. to bu....	\$ 8.50	Bu.
Alfalfa—"Fancy" (Montana grown), scarified.....	\$ 17.50	Bu.

Pasture Mixture—Our own mixing and the very best to sow for pasture purposes.....	\$	per 100 lbs.
Dwarf Essex Rape—Sow some in your small grain and corn. Makes the cheapest and best forage for cattle, hogs or sheep.....	\$ 10.	per 100 lbs.
Early Amber Cane—For fodder.....	\$ 5.	per 100 lbs.
Sudan Grass.....	\$ 8.	per 100 lbs.

Any Other Field Seeds—The above are the principal field seeds for the corn belt, but we can furnish you any other seeds at wholesale prices. Write us for prices.

Bags Extra—All seeds except oats and barley are shipped in new cotton grain bags holding 2 1/2 bu., bags extra at 25c each. Oats and barley are shipped in gunny bags without extra charge for bags. All seeds are weighed net without weight of bags.

Free Samples—We will send samples of any seeds if you will specify what you want.

Sold on Approval—If any seeds received from us are not satisfactory notify us and we will return your money and you return the seeds.

Our Responsibility—Will refer you to the Hudson Savings Bank, Hudson, Iowa; Leavitt & Johnson National Bank, Waterloo; Cedar Falls National Bank, Cedar Falls, Iowa.

Your Check Is Good—If more convenient, send your personal check.

Order Early—Seeds are scarce and demand is big. You will get better seed and save money. We will give you free storage if you don't want it shipped now and will ship when you want it.

We do not issue a catalogue as we raise and handle only well known varieties. If there is any special information you want to know regarding varieties, etc., write us and we will gladly answer your inquiries.

Your orders will receive our prompt and careful attention and we will strive to please you.

Yours very truly,

STRAYER SEED FARM

By B. S. STRAYER.

NOTICE—All seeds are selected with the greatest care, but we give no warranty, either express, or implied. We do not guarantee them nor will we be responsible for the crop. Tests vary under different conditions, and crops vary under different conditions of soil, climate, moisture, etc., over which we have no control; it is therefore proper that we should not assume any responsibility beyond affording our customers a reasonable opportunity of inspecting and testing the seed. If not accepted on these conditions notify us at once.
